## CONGREGATIONAL SONG

### I LOVE YOU LORD

I love You, I love You, I love You Lord, today;  
because You cared for me in such a special way.

That's why I praise You, I lift You up,  
and I magnify Your name;

that's why my heart is filled with praise.

My heart, my mind, my soul belongs to You.  
You paid the price for me, way back on Calvary.

That's why I praise You, I lift You up,  
and I magnify Your name;

that's why my heart is filled with praise.

Oh yes, that's why my heart is filled with praise....

### I NEED YOU TO SURVIVE

I need you; you need me. We're all a part of God's body

Stand with me agree with me.

We're all a part of God's body

It is his will that every need be supplied

You are important to me; I need you to survive.

You are important to me; I need you to survive.

I'll pray for you; you pray for me.

I Love you; I need you to survive.

I won't harm you, with words from my mouth,

I love you; I need you to survive. (Repeat 2x)

It is his will, that every need be supplied.

You are important to me; I need you to survive.

The highest God and the innermost God is one God.

Ernest Holmes

A realization of the Presence of God is the most powerful healing agency known to the mind of man.

Ernest Holmes

Never let anything cause you to doubt your ability to demonstrate the Truth.

### Our Vision

- To serve the needs of people through practicing the principles of truth in our everyday lives.
- To see every community, awoken to the Spiritual Truth of their own being, starting here starting now.

### Our Mission

- To empower, enlighten and provide a space to create, develop and maintain a loving relationship with God.
- Provide guidance to discover the Christ Principle within oneself and all people.
- To assist in recognizing the reality of God's Word along with the Science of Mind philosophy as tools for Spiritual Freedom.

### Our Declaration

**We** will honor and teach in a manner that Inspires, Nurtures and Glorifies the God presence within all of God's creations.

**We** will allow the life of Jesus to be an example as to the way we live, move, and experience our beingness.

**We** will continue to grow in the understanding that,  
"Ye are the light of the world."

## What We Believe - The Declaration of Principles

*We Believe* in God, the Living Spirit Almighty; one, indestructible, absolute, and self-existent Cause. This One Manifests Itself in and through all creation but is not absorbed by Its creation. The manifest universe is the body of God; it is the logical and necessary outcome of the infinite self-knowingness of God.

*We Believe* in the individualization of the Spirit in us, and that all people are individualizations of the One Spirit.

*We Believe* in the eternality, the immortality, and the continuity of the individual soul, forever and ever expanding.

*We Believe* that heaven is within us, and that we experience it to the degree that we become conscious of it.

*We Believe* the ultimate goal of life is to have complete freedom from all discord of every nature, and that this goal is sure to be attained by all.

*We Believe* in the unity of all life, and that the highest God and the innermost God is one God.

*We Believe* that God is personal to all who feel this indwelling Presence.

*We Believe* in the direct revelation of truth through our intuitive and spiritual nature, and that anyone may become a revealer of truth who lives in close contact with the indwelling God.

*We Believe* that the Universal Spirit, which is God, operates through a Universal Mind, which is the Law of God; we are surrounded by this Creative Mind which receives the direct impress of our thought and acts upon it.

*We Believe* in the healing of the sick through the power of this Mind.

*We Believe* in the control of conditions through the power of this Mind.

*We Believe* in the eternal Goodness, the eternal Loving-kindness, and the Givingness of Life to All.

*We Believe* in our own soul, our own spirit, and our own destiny; for we understand the life of All is God.

## Renewed in Spirit

*Our Lord has written the promise of resurrection, not in books alone, but in every leaf in springtime.*

— Martin Luther

*Easter is the glad remembrance of an ever-ascending Spirit within us. It is the resurrection of the body of our affairs from the tomb of confusion.*

— Ernest Holmes, "Living the Science of Mind," page 408

**O**n this Easter Sunday, let us celebrate the eternal resurrection happening within us. Easter is not merely a historical event but also a profound reminder of the transformative power of Spirit. Just as the stone was rolled away from the tomb, revealing a new life, so, too, can we roll away the burdens of doubt, fear and limitation.

This day invites us to release the old and embrace the new, to recognize that the Christ Consciousness — the universal truth of love, peace and infinite possibility — dwells within us, ever ready to be awakened. When we align with this truth, we become co-creators with the Divine, giving rise to lives filled with joy, purpose and abundance. As Ernest Holmes tells us, "Our consciousness of God within us is the resurrection we seek."

No matter where you are on your journey, today is an opportunity to affirm life, to rise above perceived limitations and to step boldly into the light of possibility. Let Easter be your moment of renewal, a sacred pause to embrace the truth that the Spirit within you is eternal, whole and complete. Let today be a day of spiritual awakening and celebration.

Happy Easter!
