CONGREGATIONAL SONG

I LOVE YOU LORD

I love You, I love You, I love You Lord, today;
because You cared for me in such a special way.

That's why I praise You, I lift You up,
and I magnify Your name;

that's why my heart is filled with praise.

My heart, my mind, my soul belongs to You.
You paid the price for me, way back on Calvary.

That's why I praise You, I lift You up,
and I magnify Your name;

that's why my heart is filled with praise.

Oh yes, that's why my heart is filled with praise....

I NEED YOU TO SURVIVE

I need you; you need me. We're all a part of God's body

Stand with me agree with me.

We're all a part of God's body

It is his will that every need be supplied

You are important to me; I need you to survive.

You are important to me; I need you to survive.

I'll pray for you; you pray for me.

I Love you; I need you to survive.

I won't harm you, with words from my mouth,

I love you; I need you to survive. (Repeat 2x)

It is his will, that every need be supplied.

You are important to me; I need you to survive.

LA THIRD CHURCH FOR SPIRITUAL LIVING

Whatever the Question!

Our Vision

- To recognize, respect, honor, and nurture the uniqueness in all people.
- To serve the needs of people through practicing the principles of truth in our everyday lives.
- To see every community, awaken to the Spiritual Truth of their own being, starting here starting now.

Our Mission

- To empower, enlighten and provide a space to create, develop and maintain a loving relationship with God.
- Provide guidance to discover the Christ Principle within oneself and all people.
- To assist in recognizing the reality of God's Word along with the Science of Mind philosophy as tools for Spiritual Freedom.

Our Declaration

We will honor and teach in a manner that Inspires, Nurtures and Glorifies the God presence within all of God's creations.

We will allow the life of Jesus to be an example as to the way we live, move, and experience our beingness.

We will continue to grow in the understanding that,
"Ye are the light of the world."

What We Believe – The Declaration of Principles

We Believe in God, the Living Spirit Almighty; one, indestructible, absolute, and self-existent Cause. This One Manifests Itself in and through all creation but is not absorbed by Its creation. The manifest universe is the body of God; it is the logical and necessary outcome of the infinite self-knowingness of God.

We Believe in the individualization of the Spirit in us, and that all people are individualizations of the One Spirit.

We Believe in the eternality, the immortality, and the continuity of the individual soul, forever and ever expanding.

We Believe that heaven is within us, and that we experience it to the degree that we become conscious of it.

We Believe the ultimate goal of life is to have complete freedom from all discord of every nature, and that this goal is sure to be attained by all.

We Believe in the unity of all life, and that the highest God and the innermost God is one God.

We Believe that God is personal to all who feel this indwelling Presence.

We Believe in the direct revelation of truth through our intuitive and spiritual nature, and that anyone may become a revealer of truth who lives in close contact with the indwelling God.

We Believe that the Universal Spirit, which is God, operates through a Universal Mind, which is the Law of God; we are surrounded by this Creative Mind which receives the direct impress of our thought and acts upon it.

We Believe in the healing of the sick through the power of this Mind.

We Believe in the control of conditions through the power of this Mind.

We Believe in the eternal Goodness, the eternal Loving-kindness, and the Givingness of Life to All.

We Believe in our own soul, our own spirit, and our own destiny; for we understand the life of All is God.

Believe as Though You Are

There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle.

— Attributed to Albert Einstein

Believe as though you are, and you will be.

— Ernest Holmes

In addition to my “Mind Your Mind” button, I have a small stone on my altar with the word “Believe” painted on it. Such affirmations on our spiritual journey are helpful. They don’t necessarily tell us what to do or how to do it. Rather, they are like signposts pointing us toward a beneficial and joyful destination.

I believe we all are guided along a life journey that is meant for us. I believe we know the path marked out for our soul. I believe we need courage and bravery at times so we can walk our unique path. I also believe this: Life wants us to be happy. Life wants us to be fulfilled. Life wants the best for us.

What do you believe? What leads you forward in a healthy way? What path do you wish to trod? Do you have special mementos or objects that encourage you on your spiritual journey?

Take a couple of slow, deep breaths. Close your eyes for a moment and simply feel your breath as it travels through your body.

When you open your eyes, ask for guidance on the highest and greatest good for your life. Perhaps write out your hopes and dreams. Note the affirmations that support these desires.

Now believe it is possible for you to fully live that vision. Then take one or two small action steps in that direction.

Only you can swing open the gate and walk toward the life waiting for you.

AFFIRMATION
